Who We Are

India Association of Northern Colorado (IANC) is a volunteer run non-profit organization with the mission of introducing South Asian Indian culture to this region and making valuable contributions to the society as responsible citizens. Members of IANC include people from India origin or those who are interested in South Asian Indian culture.

There are several hundred families in northern Colorado with their origin in South Asia. In addition, there are a large number of students from South Asia in local colleges and universities. IANC provides a platform to these people to celebrate the culture they grew up in. We also help the local community understand our culture and values.

IANC contributes to the region in the form of quarterly street cleaning in Fort Collins, and fund raising for Larimer county food bank and for soldiers returning from Iraq.

IANC conducts several events throughout the year. Deepanjali, the biggest event conducted by IANC during fall every year, attracts 400 to 500 people from the region.

Please take a moment and visit us on the web at: <http://www.ianc-fc.org>. If you need further information about IANC, please feel free to contact us.
